I acknowledge that if I believe event conditions are unsafe, I will immediately discontinue participation in the Activity. I fully understand that this Activity involves risks of serious bodily injury, including permanent disability, paralysis, and death, which may be caused by my own actions, or inactions, those of others participating in the event, the conditions in which this event takes place, or the negligence of the "releases" named below; and that there may be other risks either not known to me or not readily foreseeable at this time; and I fully accept and assume all such risks and all responsibility for loses, cost, and damages I incur as a result of my participation in the Activity.

I further release, discharge, and covenant not to sue, in connection with the Activity, the Owner's respective family members, assigns, heirs, administrators, directors, agents, officers, volunteers, employees, other participants, lessors, and if applicable, any sponsors or advertisers (each considered one of the "RELEASES" herein) from all liability, claims, demands, losses, or damages on my account caused or alleged to be caused in whole or in part by the negligence of the "releases" or otherwise, including negligent rescue operations and future agree that if, despite this release, waiver of liability, and assumption of risk I, or anyone on my behalf, makes a claim against any of the Releasees, I will indemnify, save, and hold harmless each of the Releasees from any loss, liability, damage, or cost which any may incur as the result of such claim.

I have read the RELEASE AND WAIVER OF LIABILITY, ASSUMPTION OF RISK AND INDEMNITY AGREEMENT, and understand that I have given up substantial rights by signing it and have signed it freely and without any inducement or assurance of any nature and intend it to be a complete and unconditional release of all liability to the greatest extent allowed by law and agree that if any portion of this agreement is held to be invalid the balance, notwithstanding, shall continue in full force effect.
